# VISION 2025

## OUR CULTURAL VALUES

Our cultural values are aspirational. They describe the culture that the work of the Holy Spirit fosters in us as disciples of Jesus Christ. These values grow out of the gospel of grace, which is the power of God for salvation, and they find their ultimate expression in the person of Jesus Christ, the crucified, risen, ascended Lord.

# VISION 2025

## Transformational Discipleship

The gospel brings about transformation that leads to maturity in Christ, making it possible for us to love the Lord our God with heart, soul, mind, and strength.

# VISION 2025

## Radical Generosity

The gospel compels us to be radical in our generosity, and compassionate in how we respond to all those we encounter.

# VISION 2025

## Authentic Community

The gospel enables us to genuinely grow into community, and model what it means to be in community.

# VISION 2025

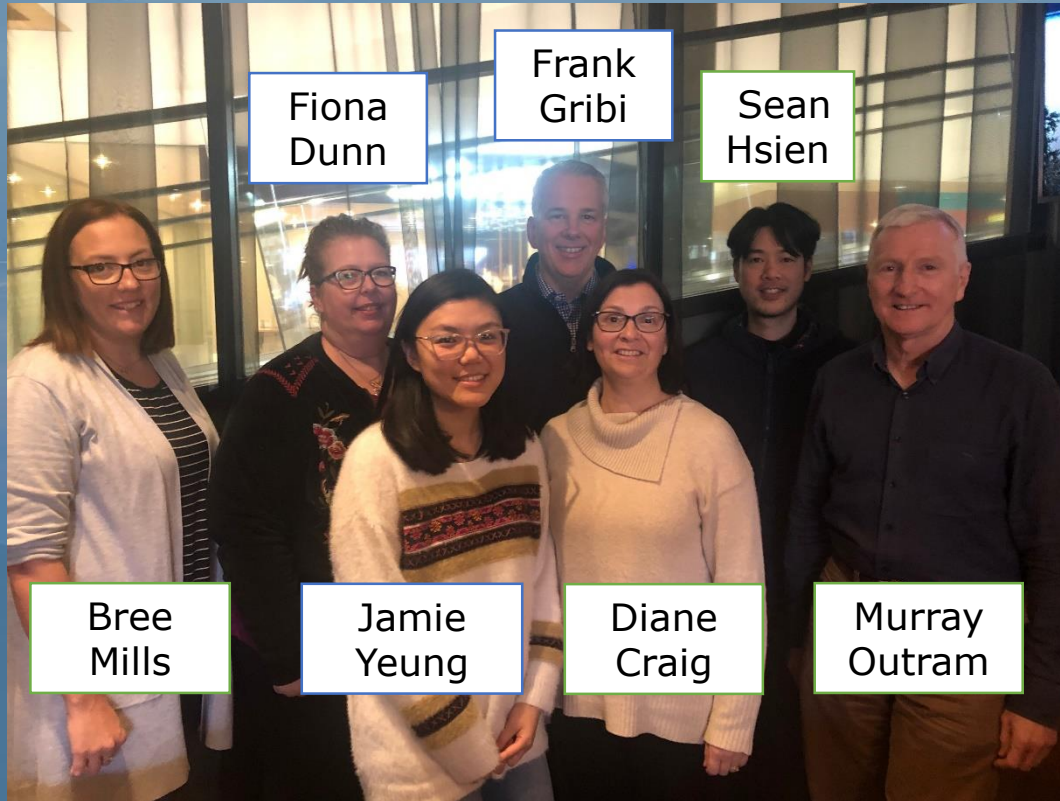

## Missional Living

The gospel calls us to be a community of disciples on mission together, as we live out our faith in word and deed, locally and globally.

## Task Force

# VISION 2025

This envisioning process is a process that we undertake every 5 years, and a key platform is that it is a process whereby the people of GWAC, through a Governance Board approved Task Force, facilitates engagement of the people of GWAC in identifying and committing to Jesus-inspired hopes and dreams, that translate into tangible mission activity that moves us toward our primary purpose.

IT'S A PROCESS OF THE PEOPLE, WITH THE INTENDED OUTCOME BEING A NEW PICTURE OF WHAT THE VISION WILL LOOK LIKE IN 2025.
